CONFIRMATION OF PRACTICAL TRAINING

To whom it may concern,

This letter is to confirm that Tadiwanashe Taimu successfully completed practical training at Watermarque Consulting as part of her internship in service training Construction Studies from 20th November 2022 to 30th January 2023.

During her time at our firm, Tadiwanashe Taimu worked on various tasks related to gaining practical experience in areas such as introductions to:

- Site Visits
- Cost Estimation & Budgeting
- Measurement & Quantification
- Contract Administration
- Project Cost Control
- Valuation of Works
- Software Proficiency (e.g., CostX, and Excel)

We found Tadiwanashe Taimu to have a strong emotional intelligence and it is evident that she will enjoy the diverse role players in the industry. During her in service training she did not necessarily do large measurements projects, but she observed meetings and assisted with final account records.

If you require further details regarding Tadiwanashe Taimu's training at Watermarque Consulting, please do not hesitate to contact us.

Yours sincerely

WATERMARQUE CONSULTING (PTY) LTD
